18.6 EUT PCB Assembly Main Board - Top View

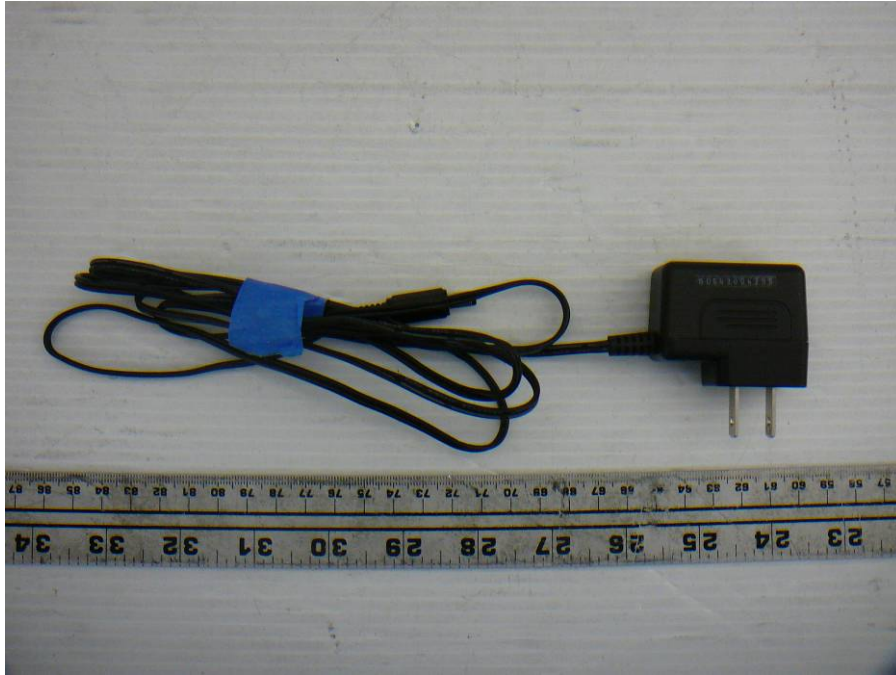

A photograph of a green printed circuit board (PCB) with various electronic components. The board is labeled "610-000101 Rev. B" and "004-0000". It features a large central chip, several smaller chips, capacitors, and resistors. The board is placed next to a metal ruler and a wooden ruler for scale. The metal ruler is marked in inches and centimeters, and the wooden ruler is marked in centimeters. The board is oriented vertically, with the rulers placed horizontally to its left and bottom.
